

FISCAL NOTE

HB 2551 - SB 2758

March 24, 2004

SUMMARY OF BILL: Requires driver license applicants to have a social security number in order to qualify for such license.

ESTIMATED FISCAL IMPACT:

Decrease State Revenues - Exceeds \$400,000

Estimate assumes approximately 24,000 driver licenses are issued annually to individuals without social security numbers. These individuals would no longer qualify for such licenses resulting in a loss of revenue from the \$19.50 driver license fee estimated to exceed \$400,000.
